– ASHLEY L. DUNN BECOMES REGISTERED ARCHITECT –

BOSTON, MA – Dyer Brown & Associates, Inc. (www.dyerbrown.com) is pleased to announce that Ashley L. Dunn has successfully completed her registration exams and is now a registered architect and a member of the American Institute of Architects.

Originally from North Carolina, Ashley joined Dyer Brown after moving to Boston in 2005. She is a 2005 graduate of the University of Tennessee with a Bachelor of Architecture and minor in Business Administration.

As a project manager, Ashley has worked on many of the firm's significant corporate interiors projects, including Bessemer Venture Partners, Motorola, Old Mutual Asset Management, and Wellesley Information Services. Ashley also provides ongoing services for State Street Corporation, working closely with their facilities team on projects at their downtown Boston headquarters and other nearby properties. In addition, she recently completed a 30,000 SF fit out of the North American headquarters of Sappi Fine Paper, an international paper company with mills throughout New England.

Ashley is a member of the International Facilities Management Association (IFMA) and is active on their Emerging Leaders Network planning committee. In addition, for the past five years Ashley has served on the Boston Society of Architect's planning committee for KidsBuild!, a hands-on educational event for children and families to learn about architecture and urban design.

About Dyer Brown & Associates

With over 40 years in business, Dyer Brown is a 30 person full service architecture and interior design firm with an impressive portfolio of corporate interiors, retail, hospitality, and building services projects. With offices in both Boston and Wellesley, Dyer Brown has designed projects in over 20 states and on 5 continents. An unwavering commitment to excellence in design and client service has enabled Dyer Brown to form long-lasting relationships with corporate clients, building owners, landlords, and brokerage firms. Since 1990, the firm has been listed as a "Design Giant" by Interior Design Magazine based on the volume of interior architectural commissions completed.
